**CERTIFICATE**

1. It is also known to me that there are other articles that have been already accepted and are in line for publication.
2. I will by no means try to contact any of the reviewers for the review of my article or try to pressurize them by using any other unfair means. If I am found to be involved in such activities at any stage, this will result in rejection of my manuscript and will also debar me from further submission of articles in PAFMJ
3. For the above reasons, I will not pressurize the Editorial Board members of PAFMJ to expedite my article review process to gain the letter of acceptance.
4. However, I shall continue to keep a track of my article to find out if there are any problems in my article or otherwise with regards to reviewing / publications / statistics that need by attention.
5. I shall keep the PAFMJ Pub Cell informed and updated whenever my email/postal address/unit/departmental address or mobile numbers are changed.
6. If I do not intend to publish in PAFMJ. I shall immediately inform the Editorial Board members of my intention through phone call/e-mail and post a letter to PAFMJ Publication Cell, documenting that I do not intend to publish my article in PAFMJ.
